Welcome to the Twycross House! This architecturally significant Craftsman Bungalow inspired the creation of a national magazine in 1990 known as American Bungalow. The magazine also helped create a movement nationwide that popularized “Bungalow” homes which are prevalent in southern California. We believe there have only been two owners of this noteworthy property since it was built in 1915. It's easy to imagine yourself sitting on the cozy front porch beneath a beaded ceiling with a cold lemonade and a good book.
